

# WATERS EDGE COTTAGE

This secluded cottage lives up to its name, and is built directly on the shore of Lake Solitaire.

A wall of windows faces Lake Solitaire to give you the feeling that you are truly on the water while you dine or sit in front of the cozy fire.

A few steps down onto the dock lead you to swimming, canoeing, sailing; or step off onto the ice for

snowshoeing or cross country skiing in the winter.

Water's Edge Cottage is ideal for couples looking for a romantic getaway or for single families, with a bunkie for extra guests or for children to "camp-out" on their own.
